FIRST NATIONS HOUSING CONFERENCE 2018

The Housing Recognition Awards is an opportunity to recognize innovations and achievements in housing initiatives at a Community level.

NIBINAMIK FIRST NATION 2018 HOUSING RECOGNITION AWARD RECIPIENT

Nibinamik First Nation developed and created a housing policy with the collaboration of the community members and Chief & Council. More than 100 community members of all ages participated in workshops, interviews and discussions that lead to the development of the policy.

The 28-page housing policy was designed by and for the community to ensure the fair distribution of homes and adoption of the policy by members. The idea behind the community-led housing policy was to connect community values to how housing is managed. The new housing policy not only establishes regulation and structure for the First Nation, but also benefits the overall health of the community.

Along with the development of the housing policy, the involvement of the community members led to the formalization of a housing committee. The housing committee's responsibility is to help implement the housing policy and act as the leader for all future housing projects in Nibinamik.

The future of housing in Nibinamik will be focused on this housing policy developed by the community for the community. For this achievement, Nibinamik First Nation is being awarded a Community Housing Recognition award for 2018.

CONGRATULATIONS TO NIBINAMIK FIRST NATION!
