Making Houses Homes

 A banner for the 12th Annual First Nations Northern Housing Conference. It features a logo of a house with a blue roof and a green base. The text on the banner includes "Making Houses Homes", "12th Annual First Nations Northern Housing Conference", and "FEB 11-12-13, 2014". At the bottom, there are logos for the Canadian government and other sponsors, along with the website "www.northernhousingconference.com".

- ## Carbon Monoxide
- Defects in gas appliances e.g. cracked heat exchanger in furnaces resulting in combustion gases mixing with heated return air.
 - Backdrafting; winter homes become negatively pressurized (through dryer, bathroom vents, leaks)
 - Regular maintenance of fireplaces, wood stoves, chimneys, furnaces
 - CO Detectors; always install location according to the manufacturers directions

A man with grey hair, wearing a light-colored short-sleeved button-down shirt, is speaking and gesturing with his hands. He is standing in front of a large, colorful backdrop. The backdrop features a stylized house with a blue roof and yellow walls, and a red banner at the top with white text. To the right of the man is a wooden frame structure with a black pipe fitting attached to it. The overall scene is an indoor event, likely a conference or presentation.
