

Gift Card Draw Details

Eligibility:

Every attendee who registers and participates in at least 10 out of the 12 live webinar sessions will be automatically entered into the Gift Card Draw. There's no additional action required—just show up, participate, and you're in!

Prizes:

We're offering a range of exciting gift cards from popular retailers, which could be used for personal or professional purposes. Whether you're looking for a treat for yourself or something for your business needs, there's a gift card for everyone. The prize details will be shared ahead of each session, so you'll know exactly what you're playing for.

How the Draw Works:

At the end of the webinar session, we will randomly select winners from the pool of attendees who were present for at least 10 out of the 12 sessions

Winners will be notified by email shortly after the event. Gift cards will be sent electronically or via mail, depending on the retailer and the winner's preference.

Multiple Entries:

The more sessions you attend, the greater your chances of winning! If you attend multiple webinars, you'll be entered into the draw once for each session, increasing the number of opportunities to win. Each session gives you a fresh chance to win, so make sure you attend as many as possible.

Prize Claiming:

Once the winners are selected, they will receive an email with instructions on how to claim their gift card. This will include the value of the gift card and the details on how to redeem it.
